# Introduction to CURA4U

One Stop **Digital Healthcare Marketplace** for Private Pay Patients.

Connects patients with local healthcare service providers for office appointments as well as for telemedicine visits.

Online Payments and Online Patient portal for appointments reminder, registration paperwork and patient education material.

**CURA4U**  
One Stop Healthcare

## How CURA4U Model Works

CURA4U contracts with physicians and other healthcare service providers for discounted cash based service rates, list and market their services on its platform and enables patients to schedule services online or by phone for a small service fee (like Expedia of Healthcare).
